Join us during Pride month to celebrate the 32-year history of **Queer Voices**, a Twin Cities based LGBTQIA+ literary arts group that began with founding curators Andrea Jenkins and John Medeiros.

Current curators LM Brimmer and Sherrie Fernandez-Williams will join Jenkins and Medeiros in a discussion of their writing lives and share stories about how the queer literary community in Minnesota creates space for all voices across our big, beautiful, and bold rainbow.

Free registration is required.
