## Why Do We Need a Queer Holocaust History?

**Dr. Anna Hájková in conversation with Kirby Taylor**

Where are the stories of great queer love in the Shoah? There are almost none. *Dr. Anna Hájková* from the University of Warwick explains in her new book why the history of same-sex desire in the Shoah has been excluded and marginalized. Hájková offers a concise insight into the queer history of the Holocaust for beginners and advanced alike.
